Win a Cash Award for Your Abstract on Assisted Reproductive Technology

Abstracts for both oral and poster presentation will be accepted in assisted reproductive technology and reproductive biology. There is no limit to the number of abstracts you may author. However, the first author must be present at the poster session. Membership in the American Association of Bioanalysts and the College of Reproductive Biology is not a requirement for submitting an abstract.

Oral abstract presentations will be given during the afternoon on Friday, May 18, 2012.

The Conference Poster Session will be held during an evening reception on Friday, May 18. A cash award will be presented for the best assisted reproductive technology abstract presented during the session.

To submit an abstract for the CRB 16th Annual Symposium, go to www.aab.org and click on 2012 AAB Annual Meeting and Educational Conference under upcoming events then click on "Call for Papers and Abstract Submission Form." Complete the form and submit it with a copy of your abstract.

Abstracts must be received no later than **April 9, 2012**. Abstracts received after April 9 may not be considered by the abstract review committee.

Contact the CRB office if you have any questions.
