

AAB 70th Annual Educational Conference

May 6-7, 2026 • Las Vegas (Summerlin), Nevada
JW Marriott Las Vegas Resort & Spa

MolDx Symposium – Preliminary Program

Wednesday, May 6, 2026

Part 1: Molecular Technologies, Public Health Testing

- Currently Available Technologies
- Infectious Disease Testing
- Public Health Testing Challenges

Part 2: Applications for Reproductive Biology

- Reproductive Physiology
- Techniques for IVF
- Controversies in Evaluating Aneuploidy Embryos

Thursday, May 7, 2026

Part 3: Legislative and Legal Update

- RESULTS Act
- Anti-Trust Lawsuit Against Major Insurers
- Billing Challenges (Molecular/Toxicology)
 - Medical Necessity
 - Clinical Utility
 - Audits/Compliance

Part 4: Future Applications and Technologies

- Next-Generation Sequencing (NGS) – Operational and Validation Considerations
- Regulatory Compliance
 - Appropriate Proficiency Testing
 - Bioinformatics Pipeline
 - Retention of Results and Storing Sequencing Data
 - Requests for Reanalysis
 - Appropriate Reports
