

2016 CRB Half-Day Workshops Wednesday, May 11, 2016

*Being held in conjunction with
the 20th Annual CRB Symposium and 60th Anniversary AAB Conference
May 12-14, at the Red Rock Resort in Las Vegas, Nevada*

WORKSHOP I: QUALITY MANUAL ESSENTIALS

May 11, 2016, 8:30 a.m. – 12:30 p.m.

***Hosted by David Mortimer, Ph.D., and Sharon Mortimer, Ph.D., Oozoa Biomedical, Inc.,
West Vancouver, BC, Canada***

Drs. Sharon and David Mortimer, leaders in the ART quality field, will cover this sexy topic in-depth. Come learn how to create and/or edit your quality manual to make it a useful tool in your practice.

At the end of this workshop, participants should be able to:

1. Identify the 12 essential elements of a quality manual.
2. Have a thorough grasp of the differences between QMS, Quality Manual and Quality Policies.
3. Have resources to create a compliant and useful Quality Manual for ART.

WORKSHOP II: RISK MANAGEMENT LIVE

May 11, 2016, 1:00 p.m. – 5:00 p.m.

Hosted by Lisa Rinehart, RN, JD, LegalCare Consulting, Inc., Chicago, Illinois

This live interactive seminar will engage participants to reveal and review facts associated with gamete “mismanagement.” Multiple true-life scenarios will be re-enacted and reviewed to identify risks and ways to mitigate risks in the ART practice.

At the end of this workshop, participants should be able to:

1. Summarize current and potential legal issues regarding embryo state, handling, disposal, loss and screening.
2. Be familiar with guidelines for disclosing errors in ART.
3. Discuss the impact of politics that affect ART, insurance coverage, donor registries, and un-traditional families on your practice.
