Register online at www.aab.org

- **Pre-Symposium Workshop: Troubleshooting the IVF Laboratory:**
 Established members of the field will relay best practices for methodical, unbiased troubleshooting of all areas of the laboratory, followed by a practical, interactive session where small groups will have the opportunity to apply and hone the skills they have learned, identify the pitfalls of pride and ego, and develop a network of colleagues for assistance when necessary.
- **Genetics, Andrology and Embryology Programs**
- **Two Keynote Lectures:** *CRISPR* by Sarthak Sawarkar, M.S., and *Debating the Pros and Cons of Preimplantation Genetic Screening (PGS)* by Richard J. Paulson, M.D., and Carlos Simón, M.D.
- **Oral and Poster Abstract Presentations**
- **Earn up to 2.8 PEER-approved CEUs**
- **Network with Colleagues**

For details and to register online: www.aab.org • Email: crb-aab@aab.org • Telephone: (314) 241-1445
