Scholarship Awards from the David Birenbaum Scholarship Fund are made available to current AAB regular members and to current registrant or regular class members of the AAB Associate Member Section, their spouses, and their dependents through the generosity of fellow members, interested individuals, industry, and educational institutions. These awards may be applied toward study in any academic discipline.

Complete all pages of this application in full. Type or print legibly. Any additional facts that you wish the Scholarship Committee to consider in judging your eligibility may be added on a supplementary sheet.

**Eligibility requirements for David Birenbaum Scholarships:**

1. Graduation from an accredited high school or its equivalent. Students who are presently enrolled in high school may apply and submit a partial transcript of their high school credits for consideration. All other applicants must submit a complete transcript of credits from high school, college or other school(s) attended. **A grading scale must accompany all official transcripts.** A transcript release form is posted on the AAB web site or enclosed for your convenience. Photocopy the form as needed to request transcripts. Only official transcripts will be accepted, photocopies are not acceptable.

2. Two original letters of character reference. Photocopies are not acceptable.

3. Enclose a black and white or color photo of yourself with the application. If your application is approved for a scholarship award, your photograph will be published in the *AAB Bulletin*. Include a note with the photograph specifying if you would like to have the photograph returned and include the complete mailing address for delivery. An electronic file can also be sent as a jpeg, 300 dpi.

These scholarship awards are gifts to be applied toward the cost of tuition. They place no obligation on the recipients other than that they do the best possible work as students. It is in the spirit of such gifts that recipients are not obligated to repay any money to AAB, but it is hoped that they, too, will help others to obtain an education when they become successful in the field of their choice.
