While the deadline to submit nominees to the Nominating Committee has passed, members may be nominated for election to the AMS Administrative Board or to the AMS Nominating Committee by a written petition signed by at least ten (10) members in good standing of the AMS. The administrator of the AMS must receive such petition **no later than noon of the day preceding the business meeting at the annual meeting of the AMS members. For 2017, that will be by noon on Wednesday, May 17, 2017.**

To be eligible for nomination, an individual must be an AMS Registrant Class, AMS Regular Class, or an AMS Life Member in good standing. To be eligible for nomination to a regional board of governors, the nominee must also reside in the region of nomination.

Nominations will **not** be accepted from the floor during the annual business meeting. You must be present to cast a vote.

This is your chance to vote directly for your officers and board members. The AAB Associate Member Section is unique among medical technologist organizations in that you have the opportunity to vote directly for the candidate of your choice rather than through a delegate.

Take advantage of this opportunity to be heard on the national level. Attend the AMS Business Meeting and VOTE!
